

Authorize an increase of \$30,000 one-time in FY 2020 and \$30,000 ongoing in FY 2021 from the Victims of Domestic Violence Services Account for the purpose of domestic violence programs.

[Explanation: Revenues into the account have declined in recent years and Human Services has requested a lower appropriation to match. FY 2020 revenues have increased slightly and this change would allow Human Services to spend the higher amount.]
