

# AGENDA

## TRANSPORTATION INTERIM COMMITTEE

LEGISLATURE

Wednesday, June 17, 2020 | 9:00 A.M. | Room 210 Senate Building

---

### 1. Committee Business

- Call to order
- Review of procedures for digital committee meetings
- Approval of the minutes of the November 20, 2019 meeting
- Review and adoption of study item list from the Legislative Management Committee
- Discussion and possible vote on committee chair authority to open committee bill files
- Training on Open and Public Meetings Act

### 2. Protecting Mass Transit Users

*Several factors, including rising unemployment and safety concerns regarding COVID-19, have led to significant reductions in the number of people using public transit systems. The committee will discuss issues related to these safety concerns, steps being taken by several public transit districts to address safety issues, and what additional steps may be needed to enhance the safety of transit patrons and employees.*

- Representatives of Utah Transit Authority
- Representatives of Cache Valley Transit District
- Representatives of SunTran, St. George's public transit system
- Representatives of Park City Transit
- Committee discussion/action

### 3. Transition from a Driver License to a State ID Card

*Responding to COVID-19 is prompting review of how the state addresses various services and processes, including accelerating some changes already contemplated. The committee will discuss the transition from a driver license to a state-issued ID card.*

- Senator Ann Millner
- Representatives of Driver License Division, Department of Public Safety
- Committee discussion/action

### 4. Delays in Vehicle Registration, Driver License Renewal, and Emissions Testing

*COVID-19 restrictions have prevented many citizens from meeting deadlines for vehicle emissions testing, vehicle registration, and driver license renewal; compliance is also frequently impossible because no online option is available. This has also resulted in significant revenue impacts. The committee will discuss the revenue impacts, providing extensions on deadlines, and ways to expand services available online to replace in-person services.*

- Representatives of the State Tax Commission
- Representatives of the Division of Motor Vehicles, State Tax Commission
- Representatives of Driver License Division, Department of Public Safety
- Committee discussion/action

**5. Suspend Penalties for Emissions Testing, Registering Vehicles and Renewing Driver License**

*The committee will discuss providing a suspension of penalties associated with COVID-19 related delays.*

- Representatives of the Division of Motor Vehicles, State Tax Commission
- Representatives of Driver License Division, Department of Public Safety
- Committee discussion/action

**6. Recent Trends with Road Usage**

*COVID-19 has shifted work locations and daily routines, with an increase in telecommuting as a prominent example. The committee will discuss the impact of COVID-19 on Utah's roads, exploring how road usage has changed in recent months.*

- Representatives of Department of Transportation
- Committee discussion/action

**7. Other Items/Adjourn**
