

# HB 128

## Local Accumulated Fund Balance Amendments

Rep. Mike Winder Sen. Wayne Harper

Utah's cities, towns, counties, and intergovernmental organizations currently have their hands tied as they save for a rainy day.

	Old Cap	Proposed
<b>Towns</b>	75%	<b>100%</b>
<b>Cities</b>	25%	<b>35%</b>
<b>Small Counties</b>	50%	<b>65%</b>
<b>Large Counties</b>	20%	<b>25%</b>
<b>Small Interlocals</b>	50%	<b>65%</b>
<b>Large Interlocals</b>	25%	<b>35%</b>

This bill allows governments to increase reserves to draw on in emergency times instead of raising taxes!
