

Utah Marriage Commission

Impact and Progress

2018

In-person classes and events: 355
Participants in class or event: 7,500
New educators trained: 134

What participants said:

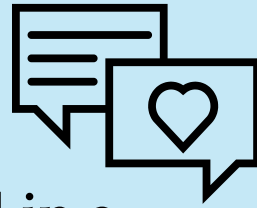

“Incredible class! I wish there was a way to re-watch the classes over and over again. I love that this class is for every relationship, no matter how long you’ve been married.”

2019

In-person classes and events: 1000
Participants in class or event: 1000
Online classes: 2
Participants in online classes: 120
New relationship educators trained: 1000

What participants said:

“We are getting married in 2 months and feel more confident that we can get through anything together. Love, love this class!”

2020

In-person classes and events: 383
Participants in class or event: 2,034
Online classes: 17
Participants in online classes: 2,348
New educators trained: 280

What participants are saying:

“We’ve gotten so much better at communicating what’s on our minds and understanding how things affect each other. We definitely listen more and argue less. It’s made a huge impact and we’ve generally been a lot happier since taking this class.”
