PENNDOT REPORT

CONCERNS

- Fewer registrations
- Removal of probable cause

No decreases in vehicle registrations. "Not only have we saved money, but our customers love it" ~ Kurt Myers PennDot Deputy Secretary

Stickers were eliminated because it was cost-effective. "Saw no benefit to retaining the use of the stickers in passenger automobiles." ~NJMVC

"fears of increased theft due to eliminated license plate stickers are not well-founded"

There is no statistical decrease in drug-related arrests when stickers were removed.
