

Moab Discussion Points

- Five Minute Video & Five Question Quiz to all rental businesses. (Bikes, Jeeps, ATVs, UTVs)
- Produce 12 Videos Year (one per month) showing continually in restaurants, bars, visitors center, motels, shops. Videos should show how to tread lightly on trails and city streets.
- Lawn signs and city signs installed to say "Throttle Down in Town".
- Consider buying Law enforcement a Side X Side for patrolling some of the problem areas in town and promote zero tolerance.
- When a group applies for an event permit have the city provide recommended routes for OHVs during the event throughout the city. Have volunteers from the group enforce the route.
- Provide a small 'JumboTron' playing tread lightly videos at all events.
- Consider permanent signs recommending OHV routes to popular trail heads though the city.
- Recommend curfus during rally's.
- Change Building Codes
- Grants are avaialble to cities and counties and non-profit organizations for OHV related efforts.
