

# HB246 BALLOT MEASURE TRANSPARENCY AMENDMENTS

REPRESENTATIVE CHRISTIANSEN

## OVERALL PURPOSE

Improve transparency and the likely impact of ballot measures (initiatives, referendums, and amendments)

## WHAT IT DOES

-  Creates the Utah Ballot Measure Board and describes its composition and duties.
-  Requires each ballot measure to have an information statement, written by the Utah Ballot Measure Board, that contains an impartial and factual explanation of the likely impact should the measure pass.
-  Provides for a legal challenge to the content of a ballot information statement.
-  Requires that a URL is printed on the ballot that links to the ballot information Statements.
