

HB213 CANINE INJURY AMENDMENTS

Representative Christiansen

WHAT THE BILL DOES

The bill provides that a person is not liable for an injury or death caused by that person's dog to another animal under the following conditions:

- The incident occurs on the person's private property,
- The dog was reasonably secured, and
- The injured dog entered the person's private property without permission

WHY WE NEED THE BILL

This bill will protect innocent people from lawsuits and appropriately strengthen property rights.
