

HB325: Office of Licensing Amendments

This bill would require the Office of Licensing report annually to the following committees to share the following information:

Report to Social Services

Appropriations Committee

- The number of congregate care centers in the state of Utah
- The average actual cost of the quarterly inspections
- The number of total inspections conducted for congregate care centers that year

Report to Health and Human Services Interim Committee

- The number of congregate care centers in the state of Utah
- The number of critical incidents, suicide attempts, and deaths that occurred in congregate care centers that year
- The number of administrative actions and complaints taken against congregate care centers that year
- The average number of out of state children residing in congregate care centers that year
- Any other pertinent information regarding congregate care centers
