Prior Parent Engagement

- Provided perspectives from Utah's families
- Became advocates for the revised standards
- Strengthened respect between the parents and the experts
- Enabled additional feedback on the draft standards

State Board of Education Recommendation

- USBE Recommends the Legislature **maintain the Standards Review Committee** in Code and not allow the Committee to sunset

Parent Engagement—Growth Opportunities

- Clarify the definition of “parents of public education”
- Increase diversity in parent representatives
- Establish the ongoing purpose of the standards review committee
- Recruit parents with strong backgrounds in the content
- Communicate difference between “standards” and “curriculum”
