

Sevier School District, Central Utah Counseling Center (CUCC) and Central Utah Educational Services (CUES) Partnership

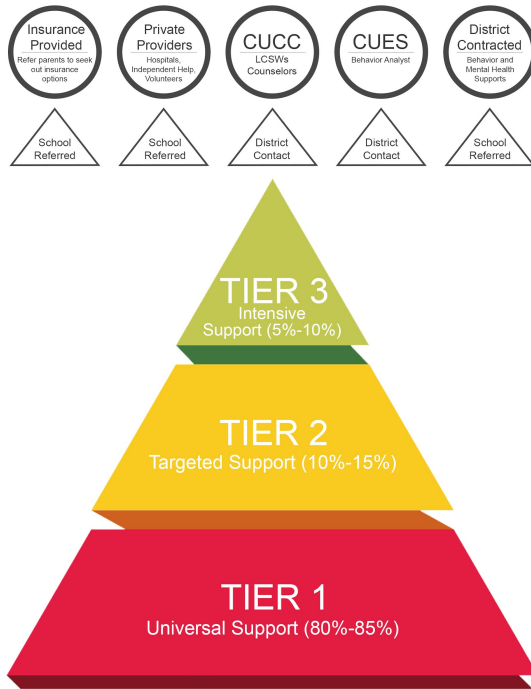

SBS Therapist and Behavior Analyst Support

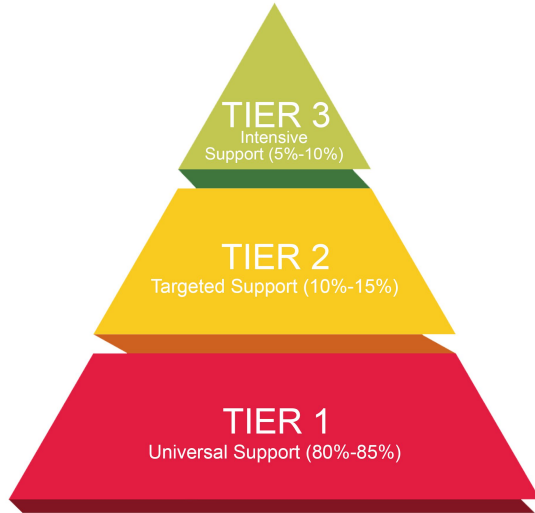

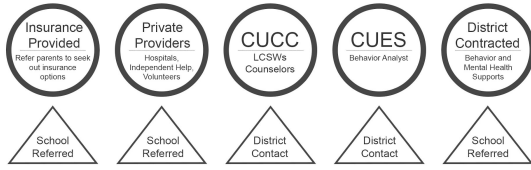

Trajectory of Wellness Program in the Sevier School District and CUES Region

CUCC and CUES Collaboration with CUES Districts

- Support and crisis-intervention counseling for students presenting with mental and/or behavioral concerns requiring immediate/prompt attention.
- CUCC SBS Therapists (LCSW) and CUES Board Certified Behavior Analyst (BCBA)

RECOMMENDATIONS

- Find solutions to address the lack of candidates available to fill open positions in behavioral and mental health
- Continued on going funding to support services that promote student wellness in support of USBE Portrait of a Graduate
- Continue collaboration with CUCC to integrate services at the school level and continue to acknowledge challenges and find opportunities for solutions
