

Utah State Board of Education

Creating a Holistic Student-Centered System of Accountability and Support

November 17, 2021

Molly Hart, Utah State School Board Member

Darin Nielsen, Assistant Superintendent of Student Learning

Accountability Redesign

The Utah State Legislature has established and maintains authority for Utah's School Accountability System and has directed the Utah State School Board to "adopt rules to implement a statewide accountability system." The redesign of Utah's School Accountability System will be accomplished through this partnership and shared leadership.

Accountability Redesign Committees

Executive Committee (16 Members)

- Utah House
- Utah Senate
- Utah State Board
- Governor's Office

Advisory Committee (31 Members)

- LEA Leadership
- Assessment directors
- School leadership
- Teachers
- Parents

Stakeholder Engagement

In addition to the multiple Executive and Advisory Committee meetings, we will hold numerous stakeholder engagement activities around the state
