

Social Services Appropriations Subcommittee Meeting Calendar

Public Input: The tentative schedule includes public input at the beginning of each non-voting meeting day for the items on that day's agenda. All input is subject to the chairs' discretion. To sign up please go to the [subcommittee webpage](#), click on the Public Comment link, and complete the online form.

Funding Requests: Legislator requests must be submitted to the Office of the Legislative Fiscal Analyst by noon on Friday, January 28th. The chairs ask that requestors of funding provide: 1) a detailed and itemized budget indicating how they would spend the money within the specified timeframe, and 2) how they would measure success. Requestors without this information will be asked to return once they provide it. All appropriations must be made to state agencies. State agencies must follow state procurement laws which require competitive bids, requests for proposal, or sole source determination.
