HB270 Parent Access to School Data Comparison

- Focus on ensuring information is available and accessible for parents.
- Requires the State Board of Education to provide an online school comparison tool that allows parents to:
 - Search within the radius of a specific location or within the boundaries of a school district
 - View school performance data in a side by side comparison
- Utilizes the school accountability metrics already required by the state
- Sets the effective date to January 1, 2023
