

HB114 1ST SUB

SCHOOL NURSING SERVICES AMENDMENTS

Representative Suzanne Harrison
Senate Floor Sponsor is Senator Ann Millner

BENEFITS OF SCHOOL NURSES:

- 25% of students have a chronic disease such as asthma, diabetes, epilepsy, food allergy, or a mental health disorder.
- Nurses are able to address both the mental and physical needs of students so they can learn and teachers can teach.
- This bill would increase the number of school nurses in our schools helping our kids from the current ratio of 1:5000 to 1:2000 by 2025. Identifies funding source.
