

# H.B. 11 STUDENT ELIGIBILITY IN INTERSCHOLASTIC ACTIVITIES

## PATHWAY TO PARTICIPATION

### GOAL OF H.B. 11

H.B. 11 creates a commission to make unbiased, evidence and data-driven decisions on a case-by-case basis regarding a transgender person's participation in a gender-designated school sport.

Statistically assess participation in a gender-specific sport that does not match a birth certificate.

Protects the integrity of women sports for the value of competition.

Assesses the safety of athletes and considers mental health.

### COMMISSION DUTIES

Creates, for each gender-specific sport, a statistical database that establishes a baseline for the physical characteristics of anyone participating in a sport of a specific age and gender.

Over  
**50%**

of top female executives were high school and college athletes.
