55 (f) "Qualified prescription" means a prescription drug, including insulin and
56 epinephrine auto-injectors, that the program has determined:

57 (i) treats a serious, prevalent, and ongoing condition;

58 (ii) does not have a generic substitute;

59 (iii) qualifies for a substantial rebate; and

60 (iv) would not result in financial losses to the state risk pool if sold as part of the
61 discount program.

62 ~~[(j)]~~ (g) "Rebate" means the same as that term is defined in Section 31A-46-102.

63 (2) ~~[Notwithstanding Subsection 49-20-201(1), and for the purpose of the discount~~

64 program only, the program shall offer a discount program that allows participants to purchase a
65 qualified prescription at a discounted, post-rebate price when a rebate is available.] The
66 program shall create a prescription discount program for a participant to purchase a qualified
67 prescription at a discounted, post-rebate price.

68 (3) The [discount] program [described in Subsection (2)] shall:

69 (a) provide a participant with a card or electronic document that identifies the
70 participant as eligible for the discount on a qualified prescription [related to the participant's
71 qualified condition];

72 (b) provide a participant with information about pharmacies that will honor the
73 discount; and

74 [(c) allow a participant to purchase a qualified prescription at a discounted, post-rebate
75 price; and]

76 [(d)] (c) provide a participant with instructions to pursue a reimbursement of the
77 purchase price from the participant's health insurer.

78 [(4) The discount program shall charge a price for a qualified prescription that allows
79 the program to retain only enough of any rebate for the qualified prescription to make the state
80 risk pool whole for providing a discounted qualified prescription to participants.]

81 (4) The program may not retain any amount of a rebate for a qualified prescription
82 except for an amount necessary to make the state risk pool whole for providing the qualified
83 prescription to participants.

84 (5) For each drug added to the discount program, the program shall notify the Health
85 and Human Services Interim Committee, providing:

86 (a) the name of the drug; and

87 (b) the primary condition the drug treats.
