

## Sunset Overview

### Purpose

The Utah Marriage Commission receives \$20 from each online marriage application under Subsection [17-16-21\(2\)\(d\)](#). The money received from the marriage license fee is non-lapsing money and thus can be carried over from fiscal year to fiscal year. In the 2024 interim, the Marriage Commission will submit a report detailing the necessity of the marriage license fee. The sunset review required by Section [63I-1-263](#) for this year is to determine whether the funds need to retain their non-lapsing status.
