Be it enacted by the Legislature of the state of Utah:

Section 1. Section **63M-11-203** is amended to read:

63M-11-203. Duties and powers of commission.

(1) The commission shall:

(a) fulfill the commission's purposes described in Section 63M-11-102;

(b) facilitate the communication and coordination of public and private entities that provide services to the aging population, including entities responsible for services related to:

(i) housing;

(ii) transportation;

(iii) caregiver support;

(iv) preventive health services;

- 33 (v) individuals with physical or developmental disabilities;
34 (vi) dementia and Alzheimer's disease; and
35 (vii) facility licensing;
- 36 (c) study, evaluate, and report on the status and effectiveness of policies, procedures,
37 and programs that provide services to the aging population;
- 38 (d) study and evaluate the policies, procedures, and programs implemented by other
39 states that address the needs of the aging population;
- 40 (e) facilitate and conduct the research and study of issues related to aging, including
41 emerging public health issues with a significant impact on the aging population;
- 42 (f) provide a forum for public comment on issues related to aging;
- 43 (g) provide public information on the aging population and the services available to the
44 aging population;
- 45 (h) facilitate the provision of services to the aging population from the public and
46 private sectors; and
- 47 (i) encourage state and local governments to analyze, plan, and prepare for the impacts
48 of the aging population on services and operations.
- 49 (2) To accomplish the commission's duties, the commission may:
- 50 (a) request and receive from any state or local governmental agency or institution,
51 summary information relating to the aging population, including:
- 52 (i) reports;
53 (ii) audits;
54 (iii) projections; and
55 (iv) statistics;
- 56 (b) apply for and accept grants or donations for uses consistent with the duties of the
57 commission from public or private sources; and
- 58 (c) appoint special committees to advise and assist the commission.
- 59 (3) All funds received under Subsection (2)(b) shall be:
- 60 (a) accounted for and expended in compliance with the requirements of federal and
61 state law; and
- 62 (b) continuously available to the commission to carry out the commission's duties.
- 63 (4) (a) A member of a special committee described in Subsection (2)(c):

64 (i) shall be appointed by the commission;
65 (ii) may be:
66 (A) a member of the commission; or
67 (B) an individual from the private or public sector; and
68 (iii) notwithstanding Section 63M-11-206, shall not receive any reimbursement or pay
69 for any work done in relation to the special committee.

70 (b) A special committee described in Subsection (2)(c) shall report to the commission
71 on the progress of the special committee.

72 (5) This chapter does not diminish the planning authority conferred on state, regional,
73 and local governments by existing law.

74 Section 2. Section **63M-11-204** is amended to read:

75 **63M-11-204. Annual report by the commission -- Master plan.**

76 (1) (a) The commission shall annually prepare and publish a report directed to the:

77 ~~[(a)]~~ (i) governor; and

78 ~~[(b)]~~ (ii) Health and Human Services Interim Committee.

79 ~~[(2)]~~ (b) The report described in Subsection (1)(a) shall:

80 ~~[(a)]~~ (i) describe how the commission fulfilled its statutory purposes and duties during
81 the year; and

82 ~~[(b)]~~ (ii) contain recommendations on how the state should act to address issues
83 relating to the aging population.

84 (2) (a) The commission shall:

85 (i) prepare and publish a 10-year master plan with recommendations for services
86 affecting the aging population; and

87 (ii) no later than November 1 of 2023, submit the master plan and the commission's
88 work plan described in Subsection (2)(b) in writing to:

89 (A) the governor; and

90 (B) the Health and Human Services Interim Committee.

91 (b) For the master plan, the commission shall:

92 (i) identify and prioritize the commission's goals, objectives, performance measures,
93 and strategies, whether existing or needed, to address demographic factors contributing to the
94 needs of the state's aging population;

95 (ii) adopt a plan for the commission's work over the next three years to address
96 priorities described in Subsection (2)(b)(i); and

97 (iii) identify redundancies in aging services across the state, including working groups
98 or task forces, and local and state executive branch services, and make recommendations for
99 consolidation.

100 (c) The plan adopted under Subsection (2)(b)(ii) shall:

101 (i) describe which state, local, and private groups the commission has or intends to
102 engage; and

103 (ii) specify any additional funding the commission determines the commission will
104 require to accomplish the commission's duties under this Subsection (2), including any funds to
105 contract for services to assist the commission in the commission's duties.

106 (3) Before July 1, 2026, the commission shall report to the Health and Human Services
107 Interim Committee on:

108 (a) proposals for the future review of and updates to the master plan; and

109 (b) any proposed legislation concerning the master plan or the recommendations made
110 in the master plan.
