ISSUE BRIEF

SUMMARY

We reviewed all intent language from the 2022 General Session and applicable intent language from the 2021 General Session. Based on submitted materials and assertions of the agencies, we have no concerns of non-compliance for the Departments of Health, Human Services, and Workforce Services. We have provided this brief in accordance with the duties of the Office of the Legislative Fiscal Analyst, as described in [UCA 36-12-13\(2\)\(f\)](#): “to report instances in which the administration may be failing to carry out the expressed intent of the Legislature.” This brief is for informational purposes only and requires no legislative action.
