جامعة الملك عبدالعزيز
KING ABDULAZIZ UNIVERSITY

Ten Standards – 276 Criteria

- Institutional Mission
- Educational Programs
- Program Outcomes
- Strategic Planning
- Learning Resources
- Physical Resources and Technical Infrastructure
- Financial Resources
- Student Services and Activities

Accreditation – Continuous Improvement

- Annual Report
 - Attestation institution is meeting all criteria
 - Report on Completion, Placement, and Licensure for previous fiscal year
- Reaffirmation Visit – Every 4-6 Years
 - On-site validation of compliance
 - Verification of Completion, Placement and Licensure data

Completion, Placement, and Licensure

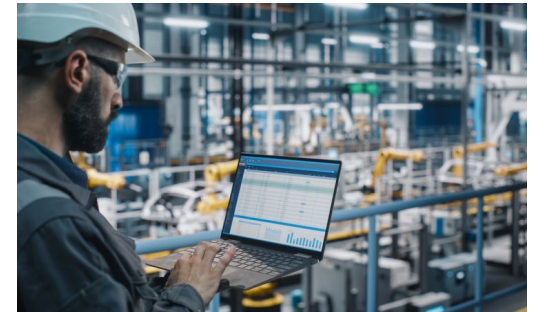

- Focus on students no longer enrolled.
 - Did they graduate?
 - Did they find related employment?
 - If there is a license required to work, did they pass their licensure exam?
 - If they did not graduate, did they get enough education to get related employment?

Completion – 60%

Student graduated from the program

OR

Student did not graduate, but received enough education to be employed in field related directly to their program of study

Placement – 70%

Of those that graduated, what percentage found employment related to their program?

Also includes non-graduates who found related employment.

Licensure – 70%

If a license is required for employment, what percentage of graduates passed licensing examination?

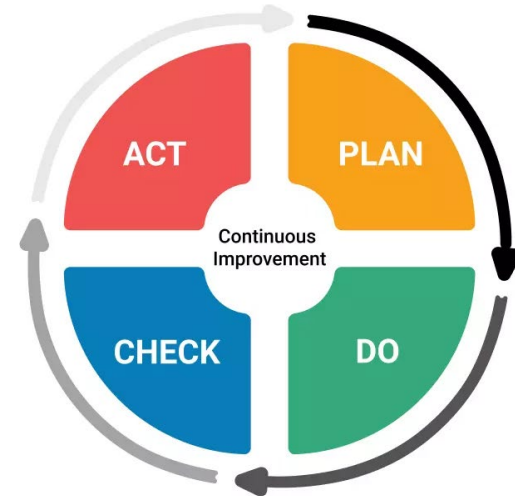

Completion, Placement and Licensure

- Annual check-up on health of programs.
- Is the program meeting the needs of students and employers?
- Diagnostic tool for continuous improvement. Not punitive.

Completion, Placement and Licensure

- Programs not meeting benchmark placed in monitoring status.
- Institution develops improvement plan
- Program reports annually on improvements and has two years to meet minimum benchmark

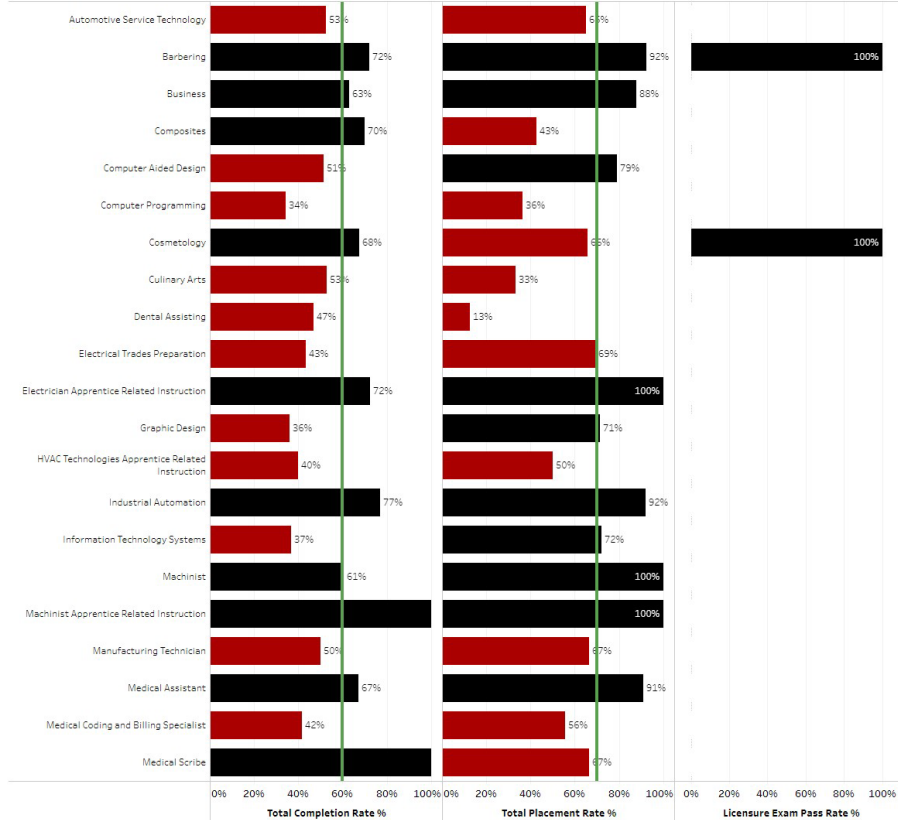

Engagement of All Stakeholders

- Students
- Faculty, Staff, Administrators
- Board of Trustee – Statutory requirement to “Conduct annual program evaluations”
- Occupational Advisory Committees
- Employers
