

Monetary Contributions to State Races by Population

Because of the low willingness to donate to state school board races, candidates realistically cannot get on the primary ballot via the signature pathway.

*Elections should be decided by voters, not by party officials.

*If you deny voters the ability to put candidates on the ballot, then you are also denying them the ability to vote for who they want in the election.

Voter Responsibilities

- Ability to place candidates on the primary ballot.
- Ability to elect their preferred candidate in the election

Party Delegate Responsibilities

- Ability to place candidates on primary ballot.
- Support the party candidate in the general election.
- Set party policy via party platform.
- Support and interact with office holders
