

# H.B. 499 HOMELESS SERVICES AMENDMENTS

## H.B. 499 Homeless Services Amendments

- The bill addresses four main areas:
  - Consolidates all reporting requirements. Removes outdated language and makes technical changes.
  - Makes modifications to Homeless Shelter Cities Mitigation funding and distribution.
- Makes modifications to the Temporary winter overflow shelter requirements for planning and implementation.
  - Adds language to address Code Blue emergency shelter needs in extreme weather conditions.
