Council

Utah State Office of Rehabilitation

We help Utahns with disabilities obtain meaningful employment and increased independence

- Division of Services for the Blind and Visually Impaired (DSBVI)
- Division of Services of the Deaf and Hard of Hearing (DSDHH)
- Disability Determination Services (DDS)
- Vocational Rehabilitation (VR)

SRC is required by federal regulation and has several responsibilities:

- Develop and review agency goals and priorities that impact our customers
- Evaluate the effectiveness of the VR program
- Conduct statewide needs assessments
- Consult on the development and implementation of policies and procedures
- Provide comments during the development of the WIOA state plan
