Highway Designations Report

Highway Designation Report

Background

- Whose road is it?
 - State roads - designated by Legislature in Title 72, Chapter 4
 - City roads - within city boundary (excluding state roads)
 - County roads - within unincorporated area (excluding state roads)
- 72-4-102 outlines process for designating and transferring state roads
 - 2005 Highway Jurisdictional Transfer Task Force
- Why do road transfers matter? Roads cost money to maintain and operate
- Annual Highway Designation Report
 - New or modified state highways
 - State highways transfers to local governments

Highway Designation Report

Report

- New state highways - West Davis Highway (SR-177)
 - 15.6 miles in length
 - From I-15 in Farmington west to SR-193 in West Point
 - Expected to be operational in early 2024
- No changes to the description of existing state highways
- No transfer requests to report
- Additional changes may arise before the 2024 General Session
