PRIME Pilot Highlights

- 8 LEAs participated in the first cohort
 - 582 LAUNCH Certificates
 - 49 TRANSFORM GE Certificates
 - 17 TRANSFORM CTE Certificates
 - Funding Usage:
 - Recruiting New Staff & Providing Stipends
 - Creating New Courses
 - Professional Development
 - Transportation, Equipment, and Supplies
 - Promoting the PRIME Program to students
-

PRIME Pilot Lesson Learned

The PRIME Pilot Program has been effective!

- Introduced more students to adding more CE and CTE courses.
 - PRIME Pilot students stuck to their plans better than their counterparts not committed to the PRIME Program.
 - While the program has not had enough time to collect a robust data set on its effectiveness, it is believed that a larger increase in those participating and earning certificates through the PRIME Program is on track for the next cohort.
