### **Section 4: Performance Outcome Measurement**

**Who would benefit from this request (who is the target audience)?**

Residents of Hyde Park City

**What is this project or program intended to accomplish?**

Provide approximately 3,350 ft of new 12" water line to direct water from the new City Hall Well to the Greystone Tank. This project will provide needed additional water to the existing distribution and storage system. It will service a newer housing development and allow for further affordable housing.

## **How will the Legislature know whether the project or program achieved its intended purpose?**

Projects of this size require us to meet weekly with our engineering group that will oversee the project. Hyde Park will ensure that timelines in contracts are implemented and followed through with.
