

Bear Lake Marina Expansion

An additional \$5,000,000:

would allow for critical improvements to the park's infrastructure, including:

- Park Office
 - Meets the evolving needs of staff and the public
- Showers and Restrooms
 - Amenities to accommodate the anticipated rise in visitation

An additional \$10,000,000:

would include the improvements outlined above. In addition, it would facilitate the development of essential infrastructure components, including:

- Installation of sidewalks to enhance accessibility
- Construction of day-use pavilions
- Implementation of strategic and aesthetic landscaping
