No

Section 3: Agency Information

Subjects:

Education and Research

Agency:

512 / University of Utah

Type of entity to receive pass-through funding

- State Government

Section 4: Performance Outcome Measurement

Who would benefit from this request (who is the target audience)?

This request will benefit University of Utah, students in the medical school and the public due to additional research and care capacity at the University's hospital.

What is this project or program intended to accomplish?

Expand the medical school to increase capacity.

How will the Legislature know whether the project or program achieved its intended purpose?

More students can attend the school and more patients will be seen.
