

# HB191: ELECTRICAL ENERGY AMENDMENTS

January 29, 2024

# Highlighted Provisions:

- requires the Public Service Commission (commission) to act in accordance with the state energy policy;
- requires the commission to make certain determinations before authorizing the early retirement of an electrical generation facility;
- establishes a rebuttable presumption against the early retirement of an electric generation facility; and
- requires the commission to submit an annual report related to requests to retire electric generating units.
