SAFE CHILD
PROJECT

THE SAFE CHILD PROJECT

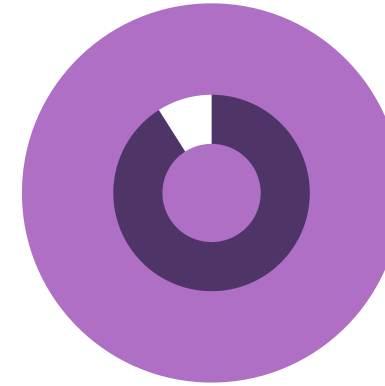

1 in 7

Utah children are sexually abused before age 18.

7 to 13

year-olds are most vulnerable to abuse.

91%

of cases involve perpetrators known and trusted by the child.

50%

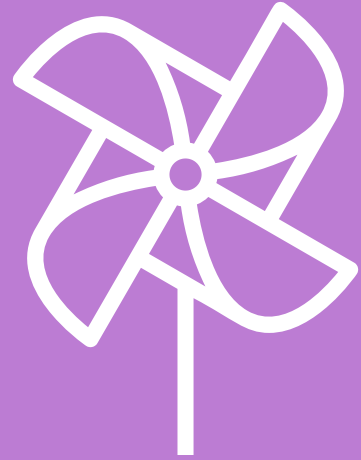

of abuse incidents are perpetrated by minors.

\$1 Billion

Estimated annual state cost of the ramifications of child sexual abuse.

Existing Family-Friendly Guardrails:

53G-9-207

- Curriculum must be approved by USBE
- Parents must be notified in advance
- Parents must be able to preview the curriculum
- Parents are invited to attend the instruction with their children
- Parents can excuse their child from participation
- LEAs must provide prevention training to school personnel and parents at least every other year

S.B. 205

Child Sexual Abuse Prevention Amendments

- Requests \$1.5 million in ongoing **funding for prevention** education in Utah elementary classrooms
- Creates a state contract with a primary prevention education provider responsible for **state-wide outreach, tracking, reporting, and education**
- Provides **flexibility** and funding for schools using other approved providers
- Further ensures that prevention curriculum is **age appropriate**
