# SALT LAKE CITY SCHOOL DISTRICT PARTNERSHIP IMPACT

---

- **Unlimited access for all students when school is not in session**
  - Students were able to:
    - ride any UTA route free all day on weekends and any day when school is not in session
  - Grew attendance at parent-teacher conferences
  - Increased parent participation in school activities
  - Connected students and families with higher paying job opportunities
  - Gave more students access to academic supports
  - Allowed students and families to attend health, dental and other appointments
  - Gave families additional options to meet basic needs (i.e., grocery shopping)
  - Long-term environmental impact
  - Increased social mobility

# THANK YOU!
