

BENEFITS OF WORKING WITH A VETERANS SERVICE OFFICER (VSO)

What is a VSO? A VA-accredited representative or VSO can help you understand and/or apply for any VA benefits you may be entitled to receive including: health care, compensation, education, Veteran readiness and employment, home loans, life insurance, pension and burial benefits. A VA-accredited representative may also help you request further review of, or appeal, an adverse VA decision regarding benefits.

The State of Utah has VSOs who are available to assist you with understanding and applying for VA benefits by:
