ABOUT USCF

In July of 2022 the Utah State Prison was relocated to the Utah State Correctional Facility (USCF).

This facility houses the largest population of inmates in Utah, and the only facility in the State housing death row inmates.

KEY FACTS

- USCF has the capacity to hold 3,806 inmates which includes two female facilities with a housing capacity of 548. Current population is 3,000.
- This Correctional Facility is located 10 miles west of the Salt Lake City Internal Airport and sits on 200-acres.
- There are currently 1,218 jobs currently being filled by inmates.
