STATE

SECURITY

A discussion on school
safety and where we are
headed.

ABOUT US

The State Security Division is tasked with establishing recommendations and best practices regarding school safety and security through partnerships with the State Board of Education, School Safety Center, county sheriffs, local law enforcement, and local education agencies. Through engaged partnerships we will strive to make schools in Utah a safe and secure learning environment.

VISION

To provide a safe and secure environment to learn, work, and recreate statewide.

MISSION

Providing a safe and secure environment statewide through professional service and engaged partnerships.
