25 *Be it enacted by the Legislature of the state of Utah:*

26 Section 1. Section **11-13-302** is amended to read:

27 **11-13-302 . Payment of fee in lieu of ad valorem property tax by certain energy**  
28 **suppliers -- Method of calculating -- Collection -- Extent of tax lien.**

29 (1)(a) Each project entity created under this chapter that owns a project and that sells  
30  
31

32 any capacity, service, or other benefit from it to an energy supplier or suppliers  
33 whose tangible property is not exempted by Utah Constitution Article XIII, Section  
34 3, from the payment of ad valorem property tax, shall pay an annual fee in lieu of ad  
35 valorem property tax as provided in this section to each taxing jurisdiction within  
36 which the project or any part of it is located.

37 (b) For purposes of this section, "annual fee" means the annual fee described in  
38 Subsection (1)(a) that is in lieu of ad valorem property tax.

39 (c) The requirement to pay an annual fee shall commence:

40 (i) with respect to each taxing jurisdiction that is a candidate receiving the benefit of  
41 impact alleviation payments under contracts or determination orders provided for  
42 in Sections 11-13-305 and 11-13-306, with the fiscal year of the candidate  
43 following the fiscal year of the candidate in which the date of commercial  
44 operation of the last generating unit, other than any generating unit providing  
45 additional project capacity, of the project occurs, or, in the case of any facilities  
46 providing additional project capacity, with the fiscal year of the candidate  
47 following the fiscal year of the candidate in which the date of commercial  
48 operation of the generating unit providing the additional project capacity occurs;  
49 and

50 (ii) with respect to any taxing jurisdiction other than a taxing jurisdiction described in  
51 Subsection (1)(c)(i), with the fiscal year of the taxing jurisdiction in which  
52 construction of the project commences, or, in the case of facilities providing  
53 additional project capacity, with the fiscal year of the taxing jurisdiction in which  
54 construction of those facilities commences.

55 (d) The requirement to pay an annual fee shall continue for the period of the useful life  
56 of the project or facilities.

57 (2)(a) The annual fees due a school district shall be as provided in Subsection (2)(b)  
58 because the ad valorem property tax imposed by a school district and authorized by  
59 the Legislature represents both:

60 (i) a levy [~~mandated by~~]the state mandates as a condition of receiving state funding  
61 for the state minimum school program under Section 53F-2-301; and

62 (ii) local levies for capital outlay and other purposes under Sections 53F-8-303,  
63 53F-8-301, and 53F-8-302.

64 (b) The annual fees due a school district shall be as follows:

65 (i) the project entity shall pay to the [~~school district~~] state an annual fee for the state

66 minimum school program at the rate imposed by the school district and authorized  
67 by the Legislature under Section 53F-2-301; and

68 (ii) for all other local property tax levies authorized to be imposed by a school  
69 district, the project entity shall pay to the school district either:

70 (A) an annual fee; or

71 (B) impact alleviation payments under contracts or determination orders provided  
72 for in Sections 11-13-305 and 11-13-306.

73 (3)(a) An annual fee due a taxing jurisdiction for a particular year shall be calculated by  
74 multiplying the tax rate or rates of the jurisdiction for that year by the product  
75 obtained by multiplying the fee base or value determined in accordance with  
76 Subsection (4) for that year of the portion of the project located within the  
77 jurisdiction by the percentage of the project which is used to produce the capacity,  
78 service, or other benefit sold to the energy supplier or suppliers.

79 (b) As used in this section, "tax rate," when applied in respect to a school district,  
80 includes any assessment to be made by the school district under Subsection (2) or  
81 Section 63M-5-302.

82 (c) There is to be credited against the annual fee due a taxing jurisdiction for each year,  
83 an amount equal to the debt service, if any, payable in that year by the project entity  
84 on bonds, the proceeds of which were used to provide public facilities and services  
85 for impact alleviation in the taxing jurisdiction in accordance with Sections 11-13-305  
86 and 11-13-306.

87 (d) The tax rate for the taxing jurisdiction for that year shall be computed so as to:

88 (i) take into account the fee base or value of the percentage of the project located  
89 within the taxing jurisdiction determined in accordance with Subsection (4) used  
90 to produce the capacity, service, or other benefit sold to the supplier or suppliers;  
91 and

92 (ii) reflect any credit to be given in that year.

93 (4)(a) Except as otherwise provided in this section, the annual fees required by this  
94 section shall be paid, collected, and distributed to the taxing jurisdiction as if:

95 (i) the annual fees were ad valorem property taxes; and

96 (ii) the project were assessed at the same rate and upon the same measure of value as  
97 taxable property in the state.

98 (b)(i) Notwithstanding Subsection (4)(a), for purposes of an annual fee required by  
99 this section, the fee base of a project may be determined in accordance with an

- 100 agreement among:
- 101 (A) the project entity; and
- 102 (B) any county that:
- 103 (I) is due an annual fee from the project entity; and
- 104 (II) agrees to have the fee base of the project determined in accordance with the
- 105 agreement described in this Subsection (4).
- 106 (ii) The agreement described in Subsection (4)(b)(i):
- 107 (A) shall specify each year for which the fee base determined by the agreement
- 108 shall be used for purposes of an annual fee; and
- 109 (B) may not modify any provision of this chapter except the method by which the
- 110 fee base of a project is determined for purposes of an annual fee.
- 111 (iii) For purposes of an annual fee imposed by a taxing jurisdiction within a county
- 112 described in Subsection (4)(b)(i)(B), the fee base determined by the agreement
- 113 described in Subsection (4)(b)(i) shall be used for purposes of an annual fee
- 114 imposed by that taxing jurisdiction.
- 115 (iv)(A) If there is not agreement as to the fee base of a portion of a project for any
- 116 year, for purposes of an annual fee, the State Tax Commission shall determine
- 117 the value of that portion of the project for which there is not an agreement:
- 118 (I) for that year; and
- 119 (II) using the same measure of value as is used for taxable property in the state.
- 120 (B) The valuation required by Subsection (4)(b)(iv)(A) shall be made by the State
- 121 Tax Commission in accordance with rules made by the State Tax Commission.
- 122 (c) Payments of the annual fees shall be made from:
- 123 (i) the proceeds of bonds issued for the project; and
- 124 (ii) revenues derived by the project entity from the project.
- 125 (d)(i) The contracts of the project entity with the purchasers of the capacity, service,
- 126 or other benefits of the project whose tangible property is not exempted by Utah
- 127 Constitution Article XIII, Section 3, from the payment of ad valorem property tax
- 128 shall require each purchaser, whether or not located in the state, to pay, to the
- 129 extent not otherwise provided for, its share, determined in accordance with the
- 130 terms of the contract, of these fees.
- 131 (ii) It is the responsibility of the project entity to enforce the obligations of the
- 132 purchasers.
- 133 (5)(a) The responsibility of the project entity to make payment of the annual fees is

- 134 limited to the extent that there is legally available to the project entity, from bond  
135 proceeds or revenues, money to make these payments, and the obligation to make  
136 payments of the annual fees is not otherwise a general obligation or liability of the  
137 project entity.
- 138 (b) No tax lien may attach upon any property or money of the project entity by virtue of  
139 any failure to pay all or any part of an annual fee.
- 140 (c) The project entity or any purchaser may contest the validity of an annual fee to the  
141 same extent as if the payment was a payment of the ad valorem property tax itself.
- 142 (d) The payments of an annual fee shall be reduced to the extent that any contest is  
143 successful.
- 144 (6)(a) The annual fee described in Subsection (1):
- 145 (i) shall be paid by a public agency that:
- 146 (A) is not a project entity; and  
147 (B) owns an interest in a facility providing additional project capacity if the  
148 interest is otherwise exempt from taxation pursuant to Utah Constitution,  
149 Article XIII, Section 3; and
- 150 (ii) for a public agency described in Subsection (6)(a)(i), shall be calculated in  
151 accordance with Subsection (6)(b).
- 152 (b) The annual fee required under Subsection (6)(a) shall be an amount equal to the tax  
153 rate or rates of the applicable taxing jurisdiction multiplied by the product of the  
154 following:
- 155 (i) the fee base or value of the facility providing additional project capacity located  
156 within the jurisdiction;
- 157 (ii) the percentage of the ownership interest of the public agency in the facility; and  
158 (iii) the portion, expressed as a percentage, of the public agency's ownership interest  
159 that is attributable to the capacity, service, or other benefit from the facility that is  
160 sold, including any subsequent sale, resale, or layoff, by the public agency to an  
161 energy supplier or suppliers whose tangible property is not exempted by Utah  
162 Constitution, Article XIII, Section 3, from the payment of ad valorem property tax.
- 163 (c) A public agency paying the annual fee pursuant to Subsection (6)(a) shall have the  
164 obligations, credits, rights, and protections set forth in Subsections (1) through (5)  
165 with respect to its ownership interest as though it were a project entity.
- 166 (d) On or before March 1 of each year, a project entity that owns a project and that  
167 provides any capacity, service, or other benefit to an energy supplier or a public

168 agency shall file an electronic report with the State Tax Commission that identifies:

169 (i) each energy supplier and public agency to which the project entity delivers  
170 capacity, service, or other benefit; and

171 (ii) the amount of capacity, service, or other benefit delivered to each energy supplier  
172 and public agency.

 354 the number of weighted pupil units in each school district in the state for the school  
 355 year commencing July 1 of the current calendar year, estimated according to the  
 356 Minimum School Program Act, and the money necessary for the cost of the  
 357 operation and maintenance of the minimum school program of the state for the school  
 358 fiscal year beginning July 1 of the current calendar year.[-]

359 (b) The commission shall then estimate the amounts of all surpluses in the Uniform  
 360 School Fund, as of July 1 of the current calendar year, available for the operation and  
 361 maintenance of the program, and shall estimate the anticipated income to the fund  
 362 available for those purposes for the current school year from all sources, including  
 363 revenues from taxes on income or from taxes on intangible property pursuant to  
 364 Article XIII, Sec. 12, Utah Constitution.

365 [~~(2)~~] (3)(a) The commission shall then determine for each school district the amount to

 367 basic state-supported program, as required by the Minimum School Program Act.

368 [~~(3)~~] (4) Each county auditor shall be notified by the commission that the minimum basic  
 369 tax levy shall be imposed by the school district, to which shall be added an additional  
 370 amount, if any, due to local undervaluation as provided in this section.[-]

371 (a) The auditor shall inform the county legislative body as to the amount of the levy.[-]

372 (b) The county legislative body shall at the time and in the manner provided by law  
 373 make the levy upon the taxable property in the school district together with further  
 374 levies for school purposes as may be required by each school district to pay the costs
