

WPU Value Increase

Request: \$135,000,000 Ongoing

Purpose: To increase the WPU value 3% above the inflationary factor of 4% (7% total combined increase to the value of the WPU)

Current Funding: The WPU value for FY 2025 is \$4,494

Projected Results

Weighted pupil unit increases give LEAs flexibility to meet student needs and maintain operations

Rationale

- Flexible funding for state and local strategic plans
- Supports growing demands and costs for educational services

If not Funded...

LEAs will not be able to sustain successful education services and experiences to students
