

# HB138 FOOD LABELING AMENDMENTS

## This bill

1. Requires beef, chicken, pork, fish, and seafood to be labeled accurately
2. Requires sellers of cultivated meat products, insect-based products, and plant-based products to disclose the origin of the product if it is being marketed as a substitute to beef, chicken, pork, fish, or seafood.

## This bill does NOT

1. Prohibit the manufacture, cultivation, or sale of alternative products.
