Section 1: Requester Details

Description:

Financial backing to operate our services (SCAHS) for one year while we are in the process of applying for ongoing financial support through local government programs. With support from the Sevier County Commissioners, we have established offices in the basement of the Sevier County Administration Building in Richfield. With generous community donations, we have hired a part-time archivist, a part-time historian, furnished our offices, established an advisory board and are working with fifteen mayor appointed city historians. We are now prepared to fulfill our mission statement. We are “committed to the gathering, preserving, protecting and sharing of historical evidence that reflects the unique identity of our community.”
