

Requester Information

Legislator Name: Lisonbee, Karianne

Created Date: January 31st 2025

Submitted Date: January 31st 2025

Section 1: Requester Details

Description:

This request will allow the Lieutenant Governor’s office to contract with a third-party that specializes in voter registration maintenance and utilizes quantum technology to analyze Drivers license records, property tax records. Vital records, and Medicaid application records. These records shall only include the portions of a record that include an individual's: (i)name; (ii)date of birth; and (iii)address. A third-party contractor may not use the information provided for any purpose other than voter rolls maintenance and shall use industry standard security measures to protect records and information. The third-party contractor shall maintain the classification of records, conduct an analysis of voter rolls to identify potential ineligible voters no later than two weeks after the start of the candidate filing period; an a general election canvass.
