Is this a multi-year project?

Yes

Is this project scalable if the Legislature does not fund the full requested amount?

Yes

A short explanation describing how the project might be scaled?

This funding would include software integration, licenses, and we can diminish the license term.

Section 3: Agency Information

Subjects:

Economy

01938

Agency:

600 / Workforce Services

Type of entity to receive pass-through funding:

State Government

Grant recipient

Yes

Requested Direct Award Grant Recipient

Eightfold AI

Section 4: Performance Outcome Measurement

Who would benefit the most from this request (who is the target audience)?

People who are entering the job market and enabling them to have a faster and better match when applying for different positions. Resulting in higher likelihood of success in vying for positions resulting in more stable work.

What is this project or program intended to accomplish?

It is intended to benefit Utahn's using DWS's job board and enabling them to find employment quicker.

How will the Legislature know whether the project or program achieved its intended purpose?

Along with DWS's other satisfaction and performance measures we would improve user satisfaction with the job board serviced provided by DWS for Utah Citizens.
