\$5,500,000.00	\$0.00	\$0.00

Is this a multi-year project?

No

Is this project scalable if the Legislature does not fund the full requested amount?

Yes

A short explanation describing how the project might be scaled?

This request is to fund a training structure, classroom, public safety driving course, and a secure climate controlled building for DNR for the storage of wildfire equipment. If necessary, an aspect of this project could be delayed and constructed in a future year.

Section 3: Agency Information

Subjects:

Land and Environment

02205

Agency:

560 / Natural Resources

Type of entity to receive pass-through funding:

State Government

No

Requested Direct Award Grant Recipient

Section 4: Performance Outcome Measurement

Who would benefit the most from this request (who is the target audience)?

The beneficiaries of this project include: The State of Utah, the Division of Natural Resources, Forestry, Fire, and State Lands (FFSL), Cache County, Box Elder County, Rich County, Logan City, Cache County Fire District, Smithfield Fire Department, Tremonton City Fire Department, Cache County Sheriff's Office, and any other northern Utah public safety entity that coordinates use of the training complex.

What is this project or program intended to accomplish?

This project is intended to provide a training facility, training course, and storage facility for the State of Utah to stage and store heavy wildfire equipment.

How will the Legislature know whether the project or program achieved its intended purpose?

First and foremost the success of this project is simply in its completion. Having a location for multiple agencies to training for fire and public safety is imperative to the successful outcomes of protecting the citizens of the State of Utah. Additionally, the staging and storage of state equipment for the fighting of wildfires is vital for the timely response to wildfire situations and the longevity of the equipment that state resources are used to acquire.

Section 5: Other Supporting Documents

Intent Language Documents

The intent of this funding is to provide an inter-agency training complex for fire and public safety. Other language in the RFP has clearly articulated the intent of this funding.
