

# EDUCATION

Through our research-based education programs, we work to provide all Utahns with the accurate, reliable information they need to make responsible decisions and stay healthy. In 2023, our educators continued with innovative teaching across Utah virtually and in-person.

## Program Participants: 6,387

### Participants By Age

Elementary School	1,175
Middle School	1,155
High School	2,735
Young Adults <25	382
Adults >25	581
