

Utah School Security Taskforce

Jarad Carson
Police Lieutenant, St. George Police Department

Heard in the School
Security Task Force
meeting on 9-22-25.

School Safety

- Older building security.
- Addressing Vestibule security.
- Open Campus - Controlling movement with outbuildings.
- Recognizing Leakage - Recognition and processing leakage
- Higher numbers of “Don’t show up to school tomorrow.” posts, threats, etc.
- Online Presence - Cyber Bullying, self harm, etc. Cell phones being removed from classrooms has helped during the school day.

School Safety Progress

- Guardian Program.
- New construction addresses legislation.
- School Threat Assessments.
- Threat Assessments have been more frequent and involved - Team approach.
- Reintegration plans have seen some success.
- Stop the Bleed kits have been distributed across the district.
- Swatting - recognition and response.
