

Dear Members of the Senate Business and Labor Standing Committee:

I am reaching out on behalf of DoorDash in **support of SB 108**, scheduled to be heard in the Senate Business and Labor Committee today, **January 26 at 2:00PM**. This bill is important to businesses because it provides consistent, statewide business standards that companies can effectively implement.

We appreciate your time and consideration of this issue, and thank you for reviewing this request. Please feel free to reach out if you have any questions or would like additional information.

Respectfully,

Alejandra Velázquez
