

Utah Coalition Against Sexual Assault

Helpline Request

\$300,000

Ongoing Funding Request:

The 24/7 statewide sexual assault helpline offers free, confidential support to survivors, loved ones, professionals, and community members.

Let's Talk About Current Helpline Services:

UCASA recognizes the needs of all communities in Utah's population. The helpline provides confidential support services.

132%

increase in calls in the last year.

From December 2024 to December 2025, the UCASA helpline has handled over **1,500** calls. This is a significant increase compared to the numbers from the previous year.

47%

of callers who provided demographic information fell between the ages of 18-24.

12%

of Utahns live in rural areas. Funding ensures support regardless of location.

Continued Funding will Ensure:

- ✓ 24/7 confidential support
- ✓ No survivor turned away
- ✓ Trained advocates ready to respond
- ✓ Access anywhere in Utah

This support will sustain UCASA's capacity to provide and connect survivors to life-saving services.
