

Requester Information

Legislator Name: Dominguez, Rosalba

Created Date: January 30th 2026

Submitted Date: January 30th 2026

Section 1: Requester Details

Description:

This request seeks funding to expand access to culturally relevant music education for youth ages 13 and older through after-school and community-based instruction. Funds will support instrument access, instructional staff, and program materials to serve low-income and underserved students. The program promotes academic engagement, social-emotional development, and cultural preservation through mariachi and traditional music education. Priority will be given to students who face financial barriers to arts participation. The requested funding will help sustain and scale services to meet growing community demand.

Section 4: Performance Outcome Measurement

Who would benefit the most from this request (who is the target audience)?

This program serves youth ages 13-18 from low- to moderate-income families residing in Salt Lake County.

What is this project or program intended to accomplish?

This program will provide structured music education and cultural arts instruction to youth ages 13-18 from low- to moderate-income families in Salt Lake County. Participants will engage in weekly group classes, individualized instruction, and performance opportunities that build musical skill, discipline, and cultural pride.

How will the Legislature know whether the project or program achieved its intended purpose?

Program success will be measured through participant attendance rates and documented skill improvement. Attendance will be tracked for all classes and activities to ensure consistent participation and engagement. Skill improvement will be assessed through instructor evaluations, progress checklists, and performance readiness over the program.
