

H.B. 524 Public Education Financial Officers

Background

- This bill seeks to clarify the governance relationship between business administrator and superintendent.
- Provides additional means for local school boards to negotiate during the hiring process of business administrators which aligns with process for hiring super intedents.

This Bill

- Adds the following sections to code
 - Business administrator(CFO) shall report directly to the super intendent(CEO)
 - Business administrator may be an at will or contract employee at the discretion of the school board
 - Removes the required minimum 2-year contract for business administrator hires

This Bill Does Not

- Prohibit local boards from entering into employee contracts with business administrators
