Provisions of this bill require the Department of Transportation to accept a 2.8 mile part of 12600 South in Riverton as a State highway. The highway doesn't currently meet specifications required by the State for the volume of traffic it is carrying. Therefore, when a rebuild of the highway is undertaken there will be an estimated cost of \$11,200,000 from the Transportation Fund. Maintenance costs are estimated at \$289,700 in FY 1999 and \$149,700 in FY 2000.
