Bill Number HB0120S2

17-Feb-98

11:21 AM

This bill requires FBI criminal background checks of individuals who have not lived in Utah for the last five years. While the bill does not specify who will pay for the cost of these checks, the departments involved assume they will collect the cost from the applicants as they now do from other clients. It is estimated that 3,000 applicants will require these FBI checks in a year. The current cost is \$24 per check. The Department of Public Safety will collect these funds (\$72,000) as dedicated credits.
